General

1. The purpose of the present circular is to provide information regarding health insurance plans administered by United Nations Headquarters and to announce the 2014 administrative and plan changes, including premium and contribution rates changes.

2. Changes in the premium and contribution rates will take effect on 1 July 2014 for the following health insurance programmes:

(a) Empire Blue Cross PPO: increase of 9.73 per cent;

(b) HIP Health Plan of New York: increase of 1.22 per cent;

(c) Vanbreda International: increase of 4.51 per cent.

There will be no premium increases for the Aetna PPO/POS II and Cigna US Dental PPO plans. Please refer to annex I for more details.

3. The following plan benefit changes will also be implemented for the Empire Blue Cross PPO medical insurance plan effective 1 July 2014:

(a) Introduction of an annual cap of $1,000 for acupuncture treatment, whether received in or out of network;

(b) Increase in the co-insurance for brand name drugs to 25 per cent up to a maximum of $30 per 30-day prescription;

(c) Increase in the emergency room visit co-pay from $50 to $75, which will be waived if the visit results in a hospital admission.

4. The Health and Life Insurance Committee has approved a one-month premium holiday for participants of the Aetna PPO/POS II plan for the plan year effective 1 July 2014.

5. Staff members and retirees currently enrolled in the Vanbreda plan who intend to seek medical care in the United States on a regular basis are reminded that they should consider enrolling in a United States-based plan effective 1 July 2014.

6. Staff members and retirees currently enrolled in the Vanbreda plan who have covered family members residing in the United States must also enrol in a United States-based plan effective 1 July 2014 to ensure compliance with the Affordable Care Act, which requires coverage in an insurance plan that does not have annual limits on benefits one may receive. Please note that penalties will be assessed against United States residents for failure to have appropriate coverage. It will not be possible for staff members or retirees and covered family members to be covered in different health insurance plans.

Costing of United Nations insurance programmes

7. All plans administered by United Nations Headquarters, other than HIP, are self-funded health benefit plans; they are not insured programmes. The cost of the programme is based primarily on the medical services provided to plan participants and directly reflects the level of utilization of the plan benefits by its participants. The yearly contributions paid by the participants and the portion of the premium paid by participating United Nations entities are used to cover claim costs plus a fixed administrative fee per primary subscriber (i.e. staff member or retiree), which

represents less than 5 per cent of the total programme cost for the United States-based plans and about 7 per cent for the Vanbreda plan. Costs are borne by the plan participants and the Organization as follows:

(a) For United States-based plans, the United Nations and plan participants bear the costs collectively through a "two thirds to one third" cost-sharing arrangement approved by the General Assembly;

(b) For the Vanbreda plan, costs are borne by the United Nations and by plan participants collectively through a 50/50 cost-sharing arrangement approved by the General Assembly;

(c) Neither the portions of the monthly premium of plan participants nor those of the organizations are prorated. The full monthly premium amount will be collected regardless of the date on which coverage begins within a month.

8. Aetna, Empire Blue Cross, Cigna and Vanbreda provide administrative services to the United Nations on the basis of "administrative services only" agreements entered into by the United Nations with those carriers. Those arrangements make it possible for the United Nations to use the carrier's eligibility and claim-processing expertise and benefit from the direct billing and discounted services that the carriers have negotiated with medical providers in their networks.

9. Except for HIP, the United Nations medical insurance and dental insurance programmes are "experience-rated". This means that each year's premiums are based on the cost of medical or dental treatment received by United Nations participants in the prior year, plus the expected effect of higher utilization and medical inflation, plus the appropriate allowance for administrative expenses for the new plan year. The underlying elements in the increasing cost of health insurance for participants are therefore:

(a) Continuing growth in utilization of services and medications;

(b) Continuing increases in prices for services and medications;

(c) Expenses that are incurred in high-cost health-care markets.

10. In a year following a period of heavy utilization, premium increases are likely to be relatively high. Conversely, if utilization in the prior year has been moderate, the premium increase in the subsequent year will also likely be moderate. The yearly premiums are calculated to meet medical expenses and administration costs in the forthcoming 12-month contract period. Each year the expected overall costs of the programme are first expressed as premiums and then borne collectively by the participants and by the Organization in accordance with the cost-sharing ratios set by the General Assembly.

11. The HIP plan is "community-rated". This means that HIP premiums are based on the average medical cost of all employers that purchase the same kind of coverage from HIP and not just that of United Nations participants. The New York State Insurance Department regulates the premium rates for community-rated programmes, such as HIP.

12. Each of the plans in the United Nations Headquarters health insurance programme provides protection against the high cost of health care, whether it involves preventive care, serious illness or injury. Premiums collected are pooled together, from which the claims are paid. In order to ensure the viability and

affordability of the plans, subscribers are expected to participate and contribute to the plan through the regular payment of premiums, regardless of their current health condition and need for coverage. Strict rules for enrolment in and termination from the plan have been put in place to prevent abuse and participation on an "as needed" basis only. Rebates based on a person's consumption are not permitted.

13. Cost containment is also available through wellness initiatives. Health improvements and cost reductions have started to become apparent as staff and retirees use the disease management and wellness features available to Aetna and Empire Blue Cross participants through the ActiveHealth programme implemented in December 2008. Plan participants are encouraged to make full use of the ActiveHealth programme, especially by accessing its website, so as to obtain maximum benefits from both a health/wellness perspective and plan cost perspective.

Annual campaign

14. The annual campaign for 2014 is being held from 19 May to 30 June 2014 and is open only to active staff members. The staff members of the Health and Life Insurance Section are available to provide information and answer specific questions regarding the health plans being offered to staff. Staff may send their questions or completed forms to the e-mail address or fax number indicated below or consult the website of the Health and Life Insurance Section. In addition, the Insurance and Disbursement Service offers in-person client services at the location and hours indicated below:

Health and Life Insurance in-person client service

Room FF-300, 304 East 45th Street, New York, New York 10017

Client service hours:

1 p.m. to 4 p.m.	Monday, Tuesday, Thursday, Friday
9.30 a.m. to 4 p.m.	Wednesday
E-mail	insurance-unhq@un.org
Website	www.un.org/insurance
Tel.	212 963 5804 — for general enquiries
Fax	917 367 1670

15. Staff members are reminded that the 2014 annual campaign is the only opportunity until the next annual campaign in May 2015 to: (a) enrol or terminate enrolment in the United Nations Headquarters-administered insurance programme; (b) change to a different plan; and/or (c) add or terminate coverage for eligible dependants from their plan, aside from the specific "qualifying" events, such as marriage, divorce, death, birth or adoption of a child and transfer within the United Nations system, for which special provisions for enrolment between campaigns are established. Please refer to paragraphs 35 and 36 for information on the qualifying events for enrolment and termination outside the annual campaign period.

16. A staff member enrolled in the Cigna US dental plan must continue such coverage for at least 12 months before elections for discontinuation of coverage during the annual campaign will be accepted.

17. Aetna, Empire and Vanbreda insurance coverage must be maintained for at least 12 months as well before elections for discontinuation of coverage during the annual campaign will be accepted. Staff members on the Vanbreda plan who switch to a United States plan as a result of dependants residing in the United States must remain in the United States plan for at least 12 months before elections to switch back to the Vanbreda plan will be accepted.

18. Individuals enrolled in the United Nations Headquarters-administered after-service health insurance are allowed to make a plan change once every two years only, in accordance with paragraph 8.2 of administrative instruction ST/AI/2007/3 on after-service health insurance.

19. The effective date of insurance coverage for all campaign applications, whether for enrolment, change of plan or change of family coverage, is 1 July 2014.

20. Staff members who switch coverage between the Aetna and Blue Cross plans and who have met the annual deductible or any portion thereof under either of those plans during the first six months of the year may be credited with such deductible payment(s) under the new plan for the second six months of the year, under certain conditions. The deductible credit will not occur automatically and can be implemented only if the staff member:

(a) Formally requests the deductible credit on the special form designed for that purpose;

(b) Attaches the original explanations of benefits attesting to the level of deductibles met for the staff member and/or each eligible covered dependant.

The deductible credit application form can be obtained by sending a request by e-mail to insurance-unhq@un.org. The completed form must be submitted to the Health and Life Insurance Section (not to Aetna or Blue Cross), together with the relevant explanations of benefits, no later than 31 August 2014 in order to receive such deductible credit.

Coordination of benefits

21. The United Nations insurance programme does not reimburse the cost of services that have been or are expected to be reimbursed under another insurance, social security or similar arrangement. For those members covered by two or more plans, the United Nations insurance programme coordinates benefits to ensure that the member receives as much coverage as possible but not in excess of expenses incurred. Members covered under the United Nations insurance programme are expected to advise the insurance carriers when a claim can also be made against another insurer. Benefits are coordinated as follows:

(a) Aetna and Empire Blue Cross conduct coordination of benefits exercises as part of the administrative services they provide to the United Nations;

(b) Empire Blue Cross conducts its own exercises by mailing out annual questionnaires to members, and Aetna uses the services of the Rawlings Company to conduct its coordination of benefits exercises.

Plan participants are required to complete and return all questionnaires sent to them by insurance carriers.

Fraud and abuse

22. Fraud or abuse of the plan by any member (i.e. active staff member or retiree and their covered family members) will result in immediate recovery of monies and disciplinary measures in accordance with the Staff Rules and Staff Regulations of the United Nations and other administrative directives. Such measures may include the forfeiture or suspension of participation in any health insurance plan of the Organization or suspension from receiving any subsidy from the Organization. Any fraud committed by subscribers and/or their eligible covered family members may also be referred to the relevant national authorities by the Organization.

23. Fraud or abuse of the plan by any provider will be handled according to the applicable procedures of the insurance carrier and may be referred to the local authorities. Members are strongly encouraged to review their explanation of benefits carefully in order to ensure that only services received from their provider are billed and to report any questionable charges to the insurance carriers so that these can be investigated.

Eligibility and enrolment rules and procedures

24. All staff members holding appointments of three months or longer may enrol themselves and eligible family members in the United Nations insurance programme. In addition, staff members holding temporary appointments with one or more extensions that when taken cumulatively will amount to three months or more of continuous service can enrol themselves and eligible family members from the beginning of the contract that will meet the three-month minimum threshold.

25. Staff members holding temporary appointments of less than three months are eligible to enrol in the Vanbreda short-term medical insurance plan on an individual basis. Information regarding the insurance programme for temporary appointments of less than three months can be obtained from the Health and Life Insurance Section. Staff members enrolled in the short-term medical insurance plan will be required to switch to one of the regular medical insurance plans upon extension of such temporary appointment beyond three months.

26. Staff members on a "when actually employed" appointment are not eligible to enrol in the health insurance programme.

27. Post-retirement appointees who are covered under the United Nations plans in accordance with the after-service health insurance provisions may continue such coverage, except when they are re-employed by the United Nations, the United Nations Development Programme (UNDP) or the United Nations Children's Fund (UNICEF) and their service period requires re-entry into the United Nations Joint Staff Pension Fund as a contributing participant. The post-retirement appointee who returns to service and re-enters the Pension Fund as a contributing participant must discontinue his or her after-service health insurance coverage and enrol in the health plan as an active staff member. At that time the staff member may retain his or her level of coverage or change the level of coverage if he or she so desires. After-service health insurance coverage will resume upon separation from service and reapplication within 31 days of such separation, but at the level of coverage that existed on the initial after-service health insurance application. Failure to reapply within 31 days of separation will cause the post-retirement appointee to lose his or her eligibility for after-service health insurance.

28. For enrolment purposes, applicants will be required to present proof of eligibility from their respective personnel or administrative officers attesting to their current contractual status. Eligible family members may also be enrolled at this time, provided that evidence of the status (approved personnel action) of such family members is presented to the Health and Life Insurance Section. Interested staff members should carefully review the current status of their family's enrolment, both as to the continued eligibility of their children and/or the inclusion of those newly eligible or not presently covered.

29. "Eligible family members" referenced in the present circular do not include family members of temporary staff members with appointments of less than three months, or family members of occasional workers. The term "eligible family members" refers to a recognized spouse and one or more dependent children. The United Nations health insurance programme recognizes only one eligible spouse. A dependent child must be the natural-born or legally adopted child of the staff member or a stepchild reflected as a household member in the Integrated Management Information System (IMIS) of the United Nations, the Atlas system of UNDP or the SAP system of UNICEF in order to be eligible. A child is eligible to be covered under the programme until the end of the calendar year in which he or she attains the age of 25 years, provided that he or she is not married or employed full-time. Disabled children may be eligible for continued coverage after the age of 25 provided they are certified disabled by the Medical Services Division.

30. Staff members, particularly those who have no coverage under a United Nations plan or are covered through another family member, are strongly urged to obtain medical insurance coverage for themselves and their eligible family members during the annual campaign or after a qualifying event, especially since the high cost of medical care could result in financial hardship for individuals who fall ill and/or are injured and have no such coverage. Injury or illness is not a "qualifying" event for enrolment in the United Nations health insurance programme.

Staff member married to another staff member

31. In the case of a staff member married to another staff member, both staff members may elect to maintain their own individual insurance coverage at the "staff member only" coverage level. In the case of coverage at the two-person (i.e. "staff member plus spouse" or "staff member plus one dependant") or family level, such coverage must be carried by the higher-salaried staff member.

32. The determination of the higher-salaried staff member is based on the "medical net" salary of both staff members. "Medical net" salary is calculated as gross salary, less staff assessment, plus post adjustment, language allowance and non-resident allowance, as applicable. In the case where both staff members in the same duty station belong to the same category and grade, the higher-salaried staff member will be the one who is at least four steps higher than the other; otherwise, either one may carry the two-person or family coverage.

33. The only exception to the policy above is in the case of a staff member on a temporary appointment of less than 364 days married to another staff member on a fixed-term, continuing or permanent appointment and belonging to the same category. In that case, the insurance coverage at the two-person or family level must be carried by the staff member whose appointment is not temporary.

34. It should also be noted that if one spouse retires from service with the Organization before the other spouse, the spouse who remains in active service must become the subscriber even if the retired spouse had been the subscriber up to the date of retirement and is eligible for after-service health insurance benefits following separation from service. The retiring staff member must nevertheless submit an application for after-service health insurance to the Health and Life Insurance Section in order to preserve his or her right to exercise the benefit in the future.

Enrolment between annual campaigns

35. Between annual campaigns, staff members and their eligible family members may be allowed to enrol in the Headquarters-administered medical and dental insurance plans only if at least one of the following "qualifying" events occurs and application for enrolment is made within 31 days of such occurrence:

(a) In respect of medical insurance coverage, upon receipt of an initial fixed-term or temporary appointment of at least three months' duration at Headquarters and, in the case of temporary appointees, upon achieving a threshold duration of continuous active employment at a minimum of half-time for at least three months; [1]

(b) In respect of dental insurance coverage, upon receipt of an initial fixed-term or temporary appointment of at least three months' duration at Headquarters;[1]

(c) Upon transfer or assignment of the staff member to a new duty station, even if of a temporary nature;[1]

(d) Upon return from special leave without pay, but only under the health insurance plan and coverage type in which the staff member was insured prior to taking leave (i.e. no opportunity to enrol eligible family members if they were not covered prior to taking leave, with the exception of the events referred to in subparagraphs (f) and (g) below that occur during the period of special leave);

(e) Upon reinstatement of appointment in accordance with staff rule 4.18;

(f) Upon marriage, in the case of spouses, provided the staff member is currently enrolled;

(g) Upon birth or legal adoption, in the case of children, provided the staff member is currently enrolled;

(h) Upon presentation of proof of loss of coverage under a spouse's health insurance plan, in accordance with paragraph 57 below;

(i) Upon the provision of evidence that the staff member was on mission or annual or sick leave for the entire duration of the annual campaign and submission of a completed application within 31 days of his or her return to the duty station.

36. Staff members and their eligible dependants may terminate their coverage under the medical and dental plans between annual campaigns only if one of the following "qualifying" events occurs and application for termination is made within 31 days of such occurrence:

[1] If coverage for eligible family members is desired, such enrolment must be done at the same time as the staff member's application even if the dependants have not arrived at the duty station.

(a) Upon divorce, in the case of a spouse;

(b) Upon the death of a covered dependant;

(c) Upon marriage or full-time employment of a covered child;

(d) Upon employment of a spouse with the United Nations Secretariat or a United Nations system organization on a non-temporary appointment at a higher grade and level and eligibility for medical insurance coverage.

37. In all the cases cited in the paragraphs above, the completed application for enrolment, re-enrolment or termination must be received by the Insurance and Disbursement Service within 31 days of the occurrence of the event giving rise to the entitlement to enrol. Applications and enquiries with regard to changes relating to such events occurring between campaigns should be directed to the Health and Life Insurance Section as follows:

Health and Life Insurance Section

Office of Programme Planning, Budget and Accounts

Department of Management

United Nations

E-mail: insurance-unhq@un.org

Applications between enrolment campaigns based on any other circumstances not listed in paragraphs 35 and 36 or not received within 31 days of the event giving rise to eligibility will not be receivable by the Health and Life Insurance Section and will be returned. Staff members who, for any reason, are uncertain as to the continuity of any outside coverage are urged to consider enrolling in a United Nations scheme during the present campaign.

Staff on special leave without pay

38. Staff members granted special leave without pay are reminded that they may retain coverage for medical and dental insurance during such periods or may elect to discontinue such coverage for the period of the special leave, under the following conditions:

(a) **Insurance coverage maintained during special leave without pay**. If the staff member decides to retain coverage during the period of special leave without pay, the Health and Life Insurance Section must be informed directly by the staff member of his or her intention at least 31 days in advance of the commencement of the special leave, in person if at Headquarters, or in writing if stationed away from Headquarters. At that time, the Health and Life Insurance Section will require evidence of approval of the special leave, together with payment covering the full amount of the cost of the coverage(s) retained (i.e. both the staff member's contribution and the Organization's share, since no subsidy is payable during such leave). If the leave period exceeds six months, premiums may be paid in instalments every six months. Failure to pay the required premiums in advance shall result in termination of coverage without further notice to the staff member concerned. Staff members may be allowed to switch to a health insurance plan that is more appropriate to where he or she will reside during the period of special leave. However, staff members enrolled in the Vanbreda plan before going

on special leave and planning to reside in the United States during the period of special leave must enrol in a United States plan;

(b) **Insurance dropped while on special leave without pay**. Should a staff member decide not to retain insurance coverage(s) while on special leave without pay, the staff member must notify the Health and Life Insurance Section upon commencement of the special leave;

(c) **Re-enrolment upon return to duty following special leave without pay**. Regardless of whether a staff member has decided to retain or drop insurance coverage(s) during a period of special leave without pay, it is essential that he or she re-enrol in the plan(s) with the Health and Life Insurance Section upon return to duty, in person (if at Headquarters) or by e-mail with a completed and signed application form. This must be done within 31 days of return to duty. Failure to do so will mean that the staff member will be unable to resume participation in the insurance plan(s) until the next enrolment campaign in the month of June. Staff members will be allowed to re-enrol only under the health insurance plan and coverage type in which he or she was insured prior to taking leave, in accordance with paragraph 35 (d) above.

Staff on special leave with half or full pay

39. Staff members on special leave with full or half pay shall continue to be covered in their health insurance plan in effect prior to the leave period. However, staff on special leave with half pay for more than 31 days that involves a full calendar month shall be subsidized by the Organization at half the regular amount, and the staff member will be responsible for the other half in addition to his or her regular insurance contribution.

Special provisions for the Vanbreda plan

40. The Vanbreda programme covers current and former staff members who reside in all parts of the world, except the United States. Current and former staff members and their dependants who reside in the United States are not eligible for Vanbreda coverage.

41. The sole exception to this exclusion arises in the case of a dependent child attending school or university in the United States who is required by the educational institution to enrol in its health insurance plan. In this case, the student's health insurance plan at the school or university will be primary and the Vanbreda coverage will be secondary. Staff members who do not meet the requirements stated above will be required to switch their insurance to a United States-based plan. It should be noted that the United States dental plan is separate from the medical plans. If dental coverage is desired, the dental portion of the group medical and dental insurance application form should be properly filled out.

42. Staff members covered under the Vanbreda worldwide plan should not seek medical care in the United States, because the plan does not offer adequate medical protection owing to the annual reimbursement limit of $250,000 and the high cost of medical care in the United States that is not reflected in the Vanbreda premiums. Medical treatment obtained in the United States will be subject to all restrictions and limitations of the Vanbreda plan and staff members will be responsible for the payment of all amounts that exceed benefit limits and annual maximums. Prior

notification is mandatory and will allow Vanbreda International to propose alternatives and negotiate significant discounts. Failure to receive prior approval from Vanbreda for care in the United States will be subject to penalty. Participants who seek medical care in the United States on a regular basis will be required to switch to a United States-based plan.

43. Staff members with covered family members residing in the United States are reminded that the Affordable Care Act of 2010 requires that all United States residents are covered by health insurance plans that do not have annual limits for benefits paid; otherwise, they may be subject to penalties. The Vanbreda plan does not meet this requirement, as it is not intended for residents of the United States. The United Nations will not be responsible for any penalties faced by staff members and/or their covered family members for failure to be covered by an appropriate plan while in the United States. Please note that staff members and their eligible family members cannot be covered under separate health insurance plans.

44. The claim costs in the Vanbreda plan are incurred in all parts of the world. As such, they reflect varying price levels. Three different premium rate groups have been established to enable the determination of premiums that are broadly commensurate with the expected overall level of claims for the locations included within each rate group. The applicable rate group is based on the staff member's duty station regardless of whether the covered family members are residing in the same duty station or if care is sought primarily outside the duty station.

Participant's address for insurance purposes

45. It is the responsibility of each staff member to ensure that his or her correct, up-to-date mailing address is stored in the system of record of his or her organization (i.e. IMIS for the United Nations, Atlas for UNDP and SAP for UNICEF). As addresses are a part of a staff member's personnel profile, staff members should contact their personnel or executive offices in order to provide or update their address. Please be aware that the insurance carriers only recognize addresses that are electronically transmitted to them by the United Nations from the above-mentioned systems. For those residing in the United States, it is also essential that the address bear the proper United States postal abbreviation for states (e.g. New York and New Jersey must be designated as NY and NJ, respectively) and zip codes. Incomplete address information will result in the insurance carriers rejecting the data transmission, as well as in misdirected mail and failure to receive important correspondence, identification cards or even benefit cheques.

Effective commencement and termination date of health insurance coverage

46. Provided that the application is made within the prescribed 31-day time frame, coverage for a staff member newly enrolled in a health insurance plan commences on the first day of a qualifying contract or the first day of the following month. When a contract terminates before the last day of a month, coverage will remain in place until the last day of that month. As mentioned previously, premiums are not prorated.

47. Any expenditure, including those related to ongoing treatment, incurred after the expiry of coverage will not be covered by the United Nations health insurance programme.

Employment-related illness or injury

48. In the event of illness or injuries which may be attributable to the performance of official duties, the resulting medical and related expenses are payable under appendix D to the Staff Rules (rules governing compensation in the event of death, injury or illness attributable to the performance of official duties on behalf of the United Nations). In such cases, medical expenses can be paid initially under the health insurance plan of the affected staff, subject to the subsequent offset by the United Nations of any amount payable under the provisions of appendix D.

Movement between organizations, breaks in appointment and movement between payrolling offices

49. It is important to note that coverage is terminated automatically but not restored automatically for staff members who:

(a) Are separated from service;

(b) Transfer between organizations (e.g. United Nations, UNDP and UNICEF);

(c) Are reappointed following any or no break in employment, or following a change in employment contract/appointment;

(d) Transfer to a different payrolling office (i.e. New York, Geneva, Vienna, Nairobi, the regional commissions, the international tribunals).

50. Most individuals whose contracts end do, in fact, leave the United Nations common system. However, many insured staff members are reappointed or transferred between the United Nations, UNDP and UNICEF, for example, or between different United Nations payrolling offices. Those staff members must reapply for health insurance coverage within 31 days of the effective date of the reappointment or transfer. Strict attention to this requirement is necessary to ensure continuity of health insurance coverage because, as noted, separation from an organization and transfers between payrolling offices result in the automatic termination of insurance coverage at the end of the month. Staff members who transfer between organizations should also ensure that the receiving organization establishes their household members and mailing address in its database so that coverage can be reinstated under the receiving organization.

Medical assistance service while on personal travel

51. United Nations health insurance plans provide coverage to staff members while outside their duty station. For United States-based participants enrolled under Aetna and Blue Cross plans, FrontierMEDEX Assistance Corporation provides emergency medical assistance, including assistance in arranging for emergency evacuation and repatriation when 100 miles or more away from home.

52. When undertaking personal travel, staff members and retirees are reminded that repatriation and evacuation costs are not covered under any of the United Nations health insurance plan or by FrontierMEDEX Assistance Corporation. Travellers should consider purchasing travel insurance that provides such benefits at their own cost.

53. For participants requiring a certificate of insurance coverage, such as that required for applications for visas to certain countries, a request for such a certificate may be sent to ids@un.org.

Cessation of coverage of the staff member and/or family members

54. Staff members are required to immediately notify the Health and Life Insurance Section of changes in the staff member's family that result in a family member ceasing to be eligible, for example a spouse upon divorce or a child marrying or taking up full-time employment. Other than with respect to children reaching the age of 25, the responsibility for initiating the resulting change in coverage (e.g. from "staff member and spouse" to "staff member only" or from "family" to "staff member and spouse") rests with the staff member.

55. Staff members wishing to discontinue their coverage, or that of an eligible family member, must communicate the instruction to the Health and Life Insurance Section in writing within 31 days of the qualifying event, even prior to the approval of the related personnel action. It is in the interest of staff members to notify the Health and Life Insurance Section promptly whenever changes in coverage occur in order to benefit from any reduction in premium contribution that may result. Irrespective of when written notification is given, termination of coverage will be implemented on the first of the month after a family member ceases to be eligible for participation in the health insurance programme. No retroactive refund of contribution can be made as a result of the staff member's failure to provide timely notification of any change to the Health and Life Insurance Section.

56. In the case of disabled children over the age of 25, eligibility for health insurance coverage shall cease as a result of emancipation, marriage, full-time employment, lapse of disability certification by the Medical Services Division or cessation of a pension or compensation benefit, whichever comes first.

Insurance enrolment resulting from loss of employment of a spouse

57. Loss of coverage under a spouse's health insurance plan owing to the spouse's loss of employment beyond his or her control (i.e. layoffs, downsizing as a result of full or partial cessation of operations or relocation of offices but not resignation or voluntary change to part-time employment) is considered a qualifying event for the purpose of enrolment in a United Nations Headquarters programme, provided that the staff member is otherwise eligible to participate in the programme. Application for enrolment in a United Nations plan under these circumstances must be made within 31 days of the qualifying event and must be accompanied by an official letter from the spouse's employer certifying the reason for termination of employment and the effective and end dates and type of insurance coverage.

After-service health insurance

58. Staff members are reminded that, among the eligibility requirements for after-service health insurance coverage, the applicant must be enrolled in a United Nations scheme at the time of separation from service. Enrolment in the after-service health insurance programme is not automatic. Application for enrolment must be made within 31 days prior to, or immediately following, the date of separation. Full details on the eligibility requirements and administrative procedures

relating to after-service health insurance coverage are set out in administrative instruction ST/AI/2007/3 on after-service health insurance.

59. In the case of the death of a staff member, information on continuation of coverage for a surviving spouse and/or dependent children can be found in administrative instruction ST/AI/2007/3.

60. Starting on 1 January 2011, United Nations Headquarters required all former staff members and dependants (including surviving spouses and eligible dependent children) who are enrolled as participants in the after-service health insurance and who qualify for participation in Medicare Part B to enrol in the United States Medicare Part B programme. Those retirees who are eligible to enrol in Medicare Part B but choose not to enrol will have their claims adjudicated as if they were enrolled. For United States-based retirees, full details on the requirements of the Medicare Part B programme are set out in information circular ST/IC/2011/3.

Conversion privilege

61. A "conversion privilege" may be provided by the United Nations as part of its group health insurance programme. This privilege allows staff members (subscribers) who cease employment with the United Nations and do not qualify for after-service health insurance benefits, or formerly covered spouses or children, to arrange for medical coverage under an individual contract by contacting the insurance companies directly to purchase private insurance. This provision applies to the Aetna, Empire Blue Cross, HIP and Vanbreda medical plans. The Cigna dental plan does not have a conversion option.

62. The conversion privilege means that the insurer cannot refuse to insure an applicant and that no certification of medical eligibility is required provided he or she was covered by the health insurance plan administered by United Nations Headquarters up to the date on which coverage was terminated. However, the conversion privilege does not mean that the same insurance premium rates or schedule of benefits in effect for the United Nations group plans will be offered in respect of individual insurance contracts. It also does not guarantee continued coverage from the date on which coverage was terminated and is subject to the rules and policies set by the insurer. The United Nations does not handle or administer any of the private plans of the insurance carriers. Moreover, the conversion privilege for participants enrolled in a United States-based insurance plan may be exercised only by separating staff who continue to reside in the United States, specifically in states where the insurance carriers sell individual policies, as the insurers cannot write individual policies for persons residing in certain states or abroad.

63. Staff members may apply for a policy of individual coverage under the conversion privilege for themselves only or for themselves and their covered eligible dependants. Moreover, eligible dependants who are members of the United Nations insurance programme may also apply on their own for a policy under the conversion privilege. Staff members must contact the applicable insurance carrier as soon as coverage is terminated (normally within 31 days of such termination). Each carrier has its own procedures for exercising the conversion privilege.

64. Details on purchasing individual policies under Aetna, Empire Blue Cross, HIP and Vanbreda should be obtained directly from the insurance carriers.

Time limits for filing claims

65. Subscribers should note that claims for reimbursement for out-of-network utilization must be received by the administrators of the plans no later than one year from the date on which the health expense was incurred. Claims received by Empire Blue Cross, Aetna, Cigna or Vanbreda later than one year after the date on which the expense was incurred will not be eligible for reimbursement.

Claim payments issued by cheque

66. Subscribers who receive reimbursements by cheque are responsible for the timely cashing of those cheques. Neither the insurance carriers nor the Health and Life Insurance Section will reprocess uncashed cheques over two years old.

Claims and benefit enquiries and disputes

67. Claims questions must be addressed directly with the insurance company concerned. In the case of disputed claims, the staff member must exhaust the appeal process with the insurance company before requesting assistance from the Health and Life Insurance Section. The process is indicated in the explanation of benefits or denial letter mailed to the member by the insurance company and the applicable summary plan description documents. The addresses and relevant telephone numbers of the insurance companies are listed in annex X. Appeals related to costs in excess of reasonable and customary charges or maximum allowable amounts in accordance with the relevant insurance plan or use of an out-of-network provider in the case of United States-based plans shall not be receivable by the Health and Life Insurance Section.

68. Staff members are reminded that information about the plans may be found in the plan outlines in the annexes to the present information circular and the summary plan descriptions located on the website of the Health and Life Insurance Section (www.un.org/insurance). Staff members are responsible for familiarizing themselves with the provisions of the plans. For more detailed descriptions of the benefits under the Aetna, Empire Blue Cross, HIP and Cigna US programmes, including most exclusions and limitations, staff members should consult the member plan descriptions available on the Health and Life Insurance Section website. In the event of a claim dispute, the resolution of such a dispute will be guided by the terms and conditions of the policy or contract in question. The final decision rests with the insurance company (in the case of HIP) or the plan administrator (in the case of Aetna, Empire Blue Cross, Cigna and Vanbreda) and not with the United Nations.

Websites of the Health and Life Insurance Section and the insurance providers

69. The website of the Health and Life Insurance Section can be accessed at www.un.org/insurance. On the website, information can be found about the United Nations programmes, as well as the relevant forms and, through weblinks, lists of health-care service providers that participate in the various programmes. Detailed descriptions of the Aetna, Empire Blue Cross, Cigna, Vanbreda and ActiveHealth programmes are also posted on the website.

70. Each of the insurance companies in the United Nations health insurance programme has its own website providing a wide range of information about the plan, such as:

(a) Health-care providers;

(b) Physicians;

(c) Participating hospitals;

(d) Pharmacies;

(e) Vendors of prosthetics, orthotics, durable medical equipment and medical supplies;

(f) Dentists;

(g) Health education;

(h) Covered services;

(i) Replacement insurance cards;

(j) Explanations of benefits or claims processed.

Please refer to the provider contact directory contained in annex X, which provides the Internet address of each carrier, as well as related instructions.

Premium rate	1 887.02	1 887.02	1 274.82	1 398.86	1 399.10	1 416.17	126.80	126.80	126.80
Contribution rate (percentage)	8.73	8.73	6.08	6.45	7.13	7.31	0.56	0.56	0.79
Staff member and two or more eligible family members									
Premium rate	2 361.38	2 361.38	1 850.88	2 030.97	2 227.41	2 254.58	204.74	204.74	204.74
Contribution rate (percentage)	9.75	9.75	7.75	8.22	10.01	10.26	0.86	0.86	1.35

[a] The cost of the medical/dental insurance plans at Headquarters is shared between the participants and the Organization.

[b] Staff members may determine their exact contribution by multiplying their "medical net" salary by the applicable contribution rate above. "Medical net" salary for insurance contribution purposes is calculated as gross salary, less staff assessment, plus language allowance, non-resident's allowance and post adjustment. Actual contributions are capped at 85 per cent of the corresponding premium.

[c] Effective 1 July 2013, the HIP Health Plan of New York is closed to new subscribers (i.e. staff members or retirees). Subscribers who are currently covered may remain in the plan, and any changes related to eligible household members will be accepted. However, a current subscriber who switches to another United States plan during the 2014 annual campaign will not be allowed to return to the HIP plan in future annual campaigns.

Vanbreda health insurance schedule of monthly premiums[a] and contribution rates[b]

(Effective 1 July 2014)

Type of coverage	*Monthly premium (United States dollars)*		*Contribution rate (percentage)*	
	Effective		*Effective*	
	July 2013	*July 2014*	*July 2013*	*July 2014*
Rate group 1[c]

Staff member and one family member	512	535	3.88	3.88
Staff member and two or more eligible family members	844	882	6.11	6.11

[a] The cost is shared between the participants and the Organization.

[b] Staff members may determine their exact contribution by multiplying their "medical net" salary by the applicable contribution rate above. "Medical net" salary is calculated as gross salary, less staff assessment, plus language allowance, non-resident's allowance, post adjustment or the variable element of monthly subsistence allowance, as applicable. The applicable rate group is based on the staff member's duty station.

[c] Rate group 1 includes all locations outside the United States of America other than those listed under rate groups 2 and 3.

[d] Rate group 2 includes Chile and Mexico.

[e] Rate group 3 includes Andorra, Austria, Belgium, Cyprus, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Malta, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland, Turkey (European portion) and United Kingdom of Great Britain and Northern Ireland.

Annex III

Empire Blue Cross PPO

Plan outline

The Empire Blue Cross PPO plan provides worldwide coverage for hospitalization and surgical, medical, vision and prescription drug expenses. Under this plan, medically necessary treatment for a covered illness or injury may be obtained at a hospital or from a physician of one's own choosing, whether an in network or out-of-network provider.

This annex will provide a high-level summary chart of the plan. For detailed information staff members must review the Empire Blue Cross PPO Plan Description document available at the Health and Life Insurance Section website, www.un.org/insurance.

In addition, members of the Empire Blue Cross plan have access to FrontierMEDEX and ActiveHealth as part of participation in this plan.

Coverage when travelling or living outside of the United States is handled by BlueCard Worldwide. Details can be found in the Empire Blue Cross PPO Plan Description document available at the Health and Life Insurance Section website, www.un.org/insurance.

Empire Blue Cross PPO summary of benefits

Benefits	*In-network[a]*	*Out-of-network*

$1,000 annual limit on combined in- and out-of-network benefits		
Hearing exam (every 3 years)	100% after $20 specialist co-pay	80% after deductible
Hearing appliance	Not covered	Not covered

[a] In-network services (except mental health or alcohol/substance abuse) are those from a provider that participates with Empire or another Blue Cross Blue Shield Plan through the BlueCard Programme, or a participating provider with another Blue Cross Blue Shield Plan that does not have a PPO network and does accept a negotiated rate arrangement as payment in full.

[b] Medical Management Programme must pre-approve or benefits will be reduced 50 per cent up to $2,500.

[c] If admitted, Medical Management must be called within 24 hours or as soon as reasonably possible.

[d] Combined maximum visits for in-network and out-of-network services.

[e] If the surgical assistant is an out-of-network provider and is assisting a participating surgeon, payment will be made in full.

[f] If the anaesthesiologist is an out-of-network provider but is affiliated with a participating hospital, payment will be made in full.

[g] Charges to members do not apply if the second surgical opinion is arranged through the Medical Management Programme.

[h] If arranged through the Medical Management Programme, services provided by an out-of-network specialist will be covered as if the services had been in-network (i.e. subject to the in-network co-payment).

[i] In-network vendor must call Medical Management to pre-certify.

[j] Empire Behavioural Health Services must pre-approve or benefits will be reduced 50 per cent up to $2,500. Out-of-network mental health care does not require pre-certification; however, outpatient alcohol and substance abuse visits must be pre-certified. In-network mental health services are those from providers that participate with Empire Behavioural Health Services.

Annex IV

Aetna Open Choice PPO/POS II

Plan outline

The Aetna Open Choice PPO/Aetna Choice POS II offers worldwide coverage for hospitalization and surgical, medical, vision and prescription drug expenses. Under this plan, medically necessary treatment for a covered illness or injury may be obtained at a hospital or from a physician of one's own choosing, whether an in-network or out-of-network provider.

This annex will provide a high-level summary chart of the plan. For detailed information, staff members must review the Aetna Open Choice PPO/POS II Plan Description document available at www.un.org/insurance.

In addition, members of the Aetna plan have access to FrontierMEDEX and ActiveHealth as part of their participation in this plan.

Aetna Open Choice PPO/POS II summary of benefits

Benefits	*In-network*	*Out-of-network*
Annual deductible		
Individual	$0	$250
Family	$0	$750
Insurance coverage (% at which the plan pays benefits)	100% except where noted	100% Hospital; 80% all other, except where noted
Annual out-of-pocket maximum		
Individual	$0	$1,250
Family	$0	$3,750 (includes annual deductible; network and prescription drug co-pays do not count towards the out-of-pocket limit)
Lifetime maximum	Unlimited	Unlimited
Dependent children	Covered to end of calendar year in which child reaches age 25

Glass	20 per cent off retail
Photochromic	20 per cent off retail
Anti-reflective coating	$45.00

Annex V

HIP Health Plan of New York

Plan outline

The HIP plan is an HMO and follows the concept of total prepaid group practice hospital and medical care. This means that there is no out-of-pocket cost to the staff member for covered services at numerous participating medical groups in the Greater New York area.

In addition, prescription drugs (a $5 co-payment applies) and medical appliances (in full) are covered when obtained through HIP participating pharmacies and are prescribed by HIP physicians or any physician in a covered emergency.

This annex will provide a high-level summary chart of the plan. For detailed information staff members must review the HIP Health Plan of New York Plan Description document available at www.un.org/insurance.

Effective 1 July 2013, the HIP plan is closed to new subscribers (i.e. staff members or retirees). Subscribers who are currently covered may remain in the plan, and any changes related to eligible household members will be accepted. However, a current subscriber who switches to another United States plan during the 2014 annual campaign will not be allowed to return to the HIP plan in future annual campaigns.

HIP Health Plan of New York summary of benefits

Benefits	*Coverage*
Hospital services and related care	
Inpatient – Unlimited days — semi-private room & board – Hospital-provided services – Routine nursing care	100%

Chiropractic care (no referral needed)	100%

Annex VI

Cigna US Dental PPO

Plan outline

The dental PPO programme offers a large network of participating providers in the Greater New York metropolitan area and nationally. A dental PPO functions like a medical PPO: the network of dentists who participate in the Cigna US dental PPO plan accept as payment a fee schedule negotiated with Cigna. When covered services are rendered by an in-network provider, Cigna reimburses the dentist according to the schedule and the participant normally has no out-of-pocket expense.

This annex will provide a high-level summary chart of the plan. For detailed information, subscribers must review the Cigna US Dental PPO plan description document available at www.un.org/insurance.

Cigna US Dental PPO summary of benefits

Benefits	*In-network*	*Out-of-network*
Plan year maximum — 1 July 2014-30 June 2015 (Class I, II and III expenses)	Year 1: $2,250	Year 1: $2,250
	Year 2: $2,350	Year 2: $2,350
	Year 3: $2,450	Year 3: $2,450
	Year 4: $2,550	Year 4: $2,550
Maximum amounts in years 2-4 are dependent on Class I services being rendered.		
Plan year deductible — 1 July 2014-30 June 2015	$0	$50 per person
		$150 per family
Reimbursement levels	Based on reduced contracted fees	Based on reasonable and customary allowances

Note: This benefit summary highlights some of the benefits available under the proposed plan. A complete description regarding the terms of coverage, exclusions and limitations, including legislated benefits, will be provided in the insurance certificate or plan description. Benefits are insured and/or administered by Connecticut General Life Insurance Company. Cigna Dental refers to the following operating subsidiaries of Cigna Corporation: Connecticut General Life Insurance Company, and Cigna Dental Health, Inc., and its operating subsidiaries and affiliates. The Cigna Dental Care plan is provided by Cigna Dental Health Plan of Arizona, Inc., Cigna Dental Health of California, Inc., Cigna Dental Health of Colorado, Inc., Cigna Dental Health of Delaware, Inc., Cigna Dental Health of Florida, Inc., a Prepaid Limited Health Services Organization licensed under Chapter 636, Florida Statutes, Cigna Dental Health of Kansas, Inc. (Kansas and Nebraska), Cigna Dental Health of Kentucky, Inc., Cigna Dental Health of Maryland, Inc., Cigna Dental Health of Missouri, Inc., Cigna Dental Health of New Jersey, Inc., Cigna Dental Health of North Carolina, Inc., Cigna Dental Health of Ohio, Inc., Cigna Dental Health of Pennsylvania, Inc., Cigna Dental Health of Texas, Inc., and Cigna Dental Health of Virginia, Inc. In other states, the Cigna Dental Care plan is underwritten by Connecticut General Life Insurance Company or Cigna HealthCare of Connecticut, Inc. and administered by Cigna Dental Health, Inc. The term "DHMO" is used to refer to product designs that may differ by state of residence of enrolee, including but not limited to, prepaid plans, managed care plans, and plans with open access features. The Cigna Dental PPO is underwritten and/or administered by Connecticut General Life Insurance Company with network management services provided by Cigna Dental Health, Inc. For Arizona/Louisiana residents the dental PPO plan is known as CG Dental PPO. In Texas, Cigna Dental's network-based indemnity plan is known as Cigna Dental Choice. The Cigna Traditional plan is underwritten or administered by Connecticut General Life Insurance Company. In Arizona and Louisiana, the Cigna Traditional plan is referred to as CG Traditional.

Annex VII

FrontierMEDEX

FrontierMEDEX is a facility available to Aetna and Empire Blue Cross subscribers. The 2014 monthly cost per subscriber is $0.20 and is built into the premium schedule for Aetna and Empire Blue Cross as set out in annex I.

FrontierMEDEX is a programme providing emergency medical assistance management — including coordinating emergency evacuation and repatriation — and other travel assistance services when the staff member is 100 or more miles from home. Below is a summary of the management coordination services provided.

Medical assistance services

Worldwide referrals: Worldwide medical and dental referrals are provided to help the participant locate appropriate treatment or care.

Monitoring of treatment: FrontierMEDEX Assistance Coordinators will continually monitor the participant's case and FrontierMEDEX Physician Advisors will provide the participant with consultative and advisory services, including the review and analysis of the quality of medical care being received.

Facilitation of hospital payment: Upon securing payment or a guarantee to reimburse, FrontierMEDEX will either wire funds or guarantee the required emergency hospital admittance deposits.

Transfer of insurance information to medical providers: FrontierMEDEX will assist the participant with hospital admission, such as relaying insurance benefit information, to help prevent delays or denials of medical care. FrontierMEDEX will also assist with discharge planning.

Medication, vaccine and blood transfers: In the event medication, vaccine or blood products are not available locally, or a prescription medication is lost or stolen, FrontierMEDEX will coordinate their transfer to the participant upon the prescribing physician's authorization, if it is legally permissible.

Replacement of corrective lenses and medical devices: FrontierMEDEX will coordinate the replacement of corrective lenses or medical devices if they are lost, stolen, or broken during travel.

Dispatch of doctors/specialists: In an emergency where the participant cannot adequately be assessed by telephone for possible evacuation, or cannot be moved, and local treatment is unavailable, FrontierMEDEX will send an appropriate medical practitioner to the participant.

Medical records transfer: Upon the participant's consent, FrontierMEDEX will assist with the transfer of medical information and records to the participant or to the treating physician.

Continuous updates to family, employer and physician: With the participant's approval, FrontierMEDEX will provide case updates to appropriate individuals designated in order to keep family, employer and physicians informed.

Hotel arrangements for convalescence: FrontierMEDEX will assist with the arrangement of hotel stays and room requirements before and after hospitalization.

Medical evacuation and repatriation services

Emergency medical evacuation: If the participant sustains an injury or suffers a sudden and unexpected illness and adequate medical treatment is not available locally, FrontierMEDEX will arrange for a medically supervised evacuation to the nearest medical facility capable of providing appropriate medical treatment. The participant's medical condition and situation must be such that, in the professional opinion of the health-care provider and FrontierMEDEX, the participant requires immediate emergency medical treatment, without which there would be a significant risk of death or serious impairment. Please note that the cost of the evacuation is not covered by FrontierMEDEX.

Transportation to join a hospitalized member: If the participant is travelling alone and is or will be hospitalized for more than seven days, FrontierMEDEX will coordinate a round-trip airfare for a person of the participant's choice to join the participant. Please note that the cost of the airfare is not covered by FrontierMEDEX.

Return of dependent children: If the participant's dependent child(ren) aged 18 or under are present but left unattended as a result of the participant's injury or illness, FrontierMEDEX will coordinate a one-way airfare to send them back to the participant's home country. FrontierMEDEX will also arrange for the services and transportation expenses of the participant's qualified escort, if required. Please note that the costs of the airfare and escort services are not covered by FrontierMEDEX.

Transportation after stabilization: Following emergency medical evacuation and stabilization, FrontierMEDEX will coordinate a one-way airfare to the participant's point of origin. If following stabilization, FrontierMEDEX determines that hospitalization or rehabilitation should occur in the participant's home country, FrontierMEDEX will alternatively coordinate for the participant's transportation there. Please note that the cost of the transportation is not covered by FrontierMEDEX.

Repatriation of mortal remains: If the participant sustains an injury or suffers a sudden and unexpected illness that results in death, FrontierMEDEX will assist in obtaining the necessary clearances for the participant's cremation or the return of the participant's remains. FrontierMEDEX will coordinate the expenses for preparation and transportation of the participant's mortal remains to the participant's home country. Please note that the cost of the transportation is not covered by FrontierMEDEX.

The following services do not fall within the purview of health insurance, but are, nevertheless, included in the monthly FrontierMEDEX fee paid by participants in the Aetna and Blue Cross plans.

Travel assistance services

Emergency travel arrangements: FrontierMEDEX will make new reservations for airlines, hotels and other travel services in the event of an illness or injury.

Transfer of funds: FrontierMEDEX will provide an emergency cash advance subject to FrontierMEDEX first securing funds from the participant or participants.

Replacement of lost or stolen travel documents: FrontierMEDEX will assist in taking the necessary steps to replace passports, tickets and other important travel documents.

Legal referrals: Should legal assistance be required, FrontierMEDEX will direct the participant to an attorney and assist in securing a bail bond.

Interpretation services: FrontierMEDEX's multilingual assistance coordinators are available to provide immediate verbal interpretation assistance in a variety of languages in an emergency; otherwise FrontierMEDEX will provide referrals to local interpreter services.

Message transmittals: The participant may send and receive emergency messages toll-free, 24 hours a day, through the FrontierMEDEX Emergency Response Centre.

Personal security services

Security evacuation services: In the event of a threatening situation, FrontierMEDEX will assist in making evacuation arrangements, including flight arrangements, securing visas and logistical arrangements, such as ground transportation and housing. In more complex situations, FrontierMEDEX will assist in making arrangements with providers of specialized security services. Please note that the cost of the evacuation is not covered by FrontierMEDEX.

Transportation after security evacuation: Following a security evacuation and when safety allows, FrontierMEDEX will coordinate a one-way airfare to the participant's home country or host country. Please note that the cost of the evacuation is not covered by FrontierMEDEX.

Online services

Member centre: Participants have access to FrontierMEDEX's member centre, which includes detailed information on the FrontierMEDEX programme, as well as medical and security information for more than 230 countries and territories around the world. To activate the member centre account:

1. Visit https://members.medexassist.com.
2. In the login box, select "create user".
3. Enter the FrontierMEDEX ID number for the United Nations (33211).
4. Accept the user agreement.
5. Enter in your personal account information to designate yourself a unique username and password.

FrontierMEDEX 360°m global medical monitor: The participant will have online access to continuous updates on health information pertinent to your destination(s) of travel such as immunizations, vaccinations, regional health concerns, entry and exit requirements, and transportation information. Risk ratings are provided for each country ranking the severity of the risk concerning disease, quality of care, access to care and cultural challenges.

World Watch® global security intelligence: The participant will have online access to the latest authoritative information and security guidance for over 170 countries and 280 cities. Information includes the latest news, alerts, risk ratings and

a broad array of destination information, including crime, terrorism, local hospitals, emergency phone numbers, culture, weather, transportation information, entry and exit requirements and currency.

The FrontierMEDEX global security and medical databases are continuously updated and include intelligence from thousands of worldwide sources. This information is also available upon request by calling the FrontierMEDEX Emergency Response Centre.

Custom travel reports: Using the 360°m global medical monitor and World Watch® online intelligence tools, the participant is able to create customized, printable health and security profiles by destination.

Hotspots travel alerts: Subscribe through the member centre to receive a free weekday e-mail snapshot of security events from around the world. Listed by region and destination, this bulletin provides a quick review of events that could have a significant impact on travellers. Each event summary includes country threat levels and significant dates.

Conditions and limitations

The services described above are available to the participant only during the participant's enrolment period and only when the participant is 100 or more miles away from his/her residence.

How to use FrontierMEDEX access services 24 hours a day, 7 days a week, 365 days a year

If participants have a medical problem, they should call the toll-free number of the country they are in (see list below), or call collect the 24-hour FrontierMEDEX Emergency Response Centre in Baltimore, Maryland:

Phone: +1-410-453-6330

Internet: www.FrontierMEDEX.com

E-mail: operations@FrontierMEDEX.com

A multilingual assistance coordinator will ask for your name, your company or group name, the United Nations FrontierMEDEX ID number — 33211 — and a description of your situation.

If the condition is an emergency, go immediately to the nearest physician or hospital without delay and then contact the FrontierMEDEX Emergency Response Centre. It will then take the appropriate action to provide assistance and monitor care.

International toll-free telephone access numbers[a]

Listed below are the telephone numbers for the worldwide FrontierMEDEX assistance network. If you have a medical or travel problem, call FrontierMEDEX. Printed on your ID card are the telephone numbers for the worldwide FrontierMEDEX network. Call the toll-free number for the country you are in if one

[a] The asterisk (*) indicates that the caller should dial the first portion of the phone number, wait for the tone, and then dial the remaining numbers.

is available. If you are in a country that is not listed, or if the call will not go through, please call the Baltimore, Maryland, coordination centre collect. Be prepared to give FrontierMEDEX your name, identification number, the name of the organization and a brief description of your problem.

United States: Baltimore, Maryland	[1]-410-453-6330

Notes:

When a toll-free number is not available, travellers are encouraged to call FrontierMEDEX collect. The toll-free numbers listed are only available when physically calling from within the country. We strongly encourage you to note this in your printed material to avoid confusion.

The toll-free Israel line is not available from payphones and there is a local access charge.

The toll-free Italy, Vatican City and San Marino number has a local charge for access.

In Italy, operator-assisted calls can be made by dialling 170. This will give you access to the international operator.

The toll-free Japan line is only available from touchtone phones (including payphones) equipped for international dialling.

If calling from Mexico on a payphone, the payphone must be a La Date payphone.

When calling the phone numbers in China, please dial as follows:

Northern regions — first dial 10888, then wait a second to be connected. After being connected, dial the remaining numbers.

Southern regions — first dial 10811, then wait a second to be connected. After being connected, dial the remaining numbers.

When calling the phone numbers in Egypt, please dial as follows:

Inside Cairo — first dial 510-0200, then wait a second to be connected. After being connected, dial the remaining numbers.

Outside Cairo -- first dial 02-510-0200, then wait a second to be connected. After being connected, dial the remaining numbers.

International callers who are unable to place toll-free calls to FrontierMEDEX

Many telephone service providers, such as cell phones, payphones and other commercial phone venues, charge for, or outright bar, toll-free calls on their networks. In this case, callers should be instructed to try calling collect. If that is not an option, they will need to dial the FrontierMEDEX number directly and provide a number to which FrontierMEDEX may immediately call back.

Annex VIII

ActiveHealth wellness programme

The ActiveHealth programme was implemented in December 2008 as a health management service that provides confidential disease management and wellness programmes to Aetna and Empire Blue Cross health insurance plan participants. Disease Management and Wellness programmes work to reduce preventable conditions which are often precursors to more serious and chronic conditions. ActiveHealth provides important care considerations to participants and their doctors and assists in managing the health concerns of participants through the services noted below. Staff members may be contacted by ActiveHealth, or can elect to participate in this programme through self-referral by calling ActiveHealth at 1-800-778-8351, or by enrolling at www.myactivehealth.com/unitednations.

- CareEngine and care considerations: personalized and confidential communications to patients and physicians to improve the quality of care
- Nurse care programme: nurse coaching for members with chronic conditions
- MyActiveHealth: online personal health record
- 24-hour informed health line
- NuVal: nutritional scoring system

CareEngine and care considerations

ActiveHealth is "powered" by the CareEngine system that applies thousands of evidence-based clinical rules to aggregated member medical, pharmacy, and lab claims along with self-reported data to uncover potential errors and instances of suboptimal care. The rules are applied on a continuous basis to all members of a covered population to find clinical improvement opportunities. For each potential opportunity identified, a "care consideration" is generated that identifies the clinical issue(s) found, and suggests a change in treatment that the evidence-based literature and treatment guidelines indicate would improve the patient's care. These care considerations are communicated to treating physicians each time a potential care improvement opportunity is identified by the CareEngine system. Since the physician may have information about the patient that is not available to ActiveHealth, the decision of whether to implement a care consideration is up to the physician.

Nurse care programme

Members participating in the disease management programme are assigned to a nurse care manager who acts as their "personal health coach" around their specific conditions. The nurse care manager provides one-on-one education and support to the member in understanding his/her health needs and how best to leverage physician visits through informed communication.

Disease management provides comprehensive support for more than 30 chronic conditions that:

- Focuses on both physicians and patients in effecting behaviour changes leading to improved clinical and financial outcomes.

- Identifies and targets impactable clinical issues that are communicated to physicians and patients with specific actions that can be taken to improve patient care.
- Customizes member engagement and education activities and intensity according to the member's specific clinical issues and medical needs.
- Creates a strong value proposition in that it targets resources to those members most likely to benefit from disease management interventions.
- Designs interventions and plans of care around the member's complete set of conditions and co-morbidities in order to maximize care and anticipate potentially harmful interactions between disease states.

The following is a list of the 34 conditions included in the ActiveHealth nurse care programme:

Vascular

- Peripheral artery disease
- Cerebrovascular disease/stroke
- Congestive heart failure (CHF)
- Coronary artery disease (CAD)
- Hypertension — adult and paediatrics
- Hyperlipidemia hypercoagulable state (blood clots)

Diabetes — adult and paediatrics

Pulmonary

- Asthma — adult and paediatrics
- Chronic obstructive pulmonary disease (COPD)

Orthopedic/rheumatologic

- Rheumatoid arthritis (RA)
- Osteoporosis
- Osteoarthritis (OA)

Gastrointestinal

- Gastroesophageal reflux disease (GERD)
- Chronic hepatitis B or C
- Peptic ulcer disease
- Inflammatory bowel disease (Crohn's disease and ulcerative colitis)

Neurologic conditions

- Seizure disorders
- Migraines
- Parkinsonism
- Geriatrics

Geriatrics

Cancer

- Cancer (general)
- Breast cancer
- Lung cancer
- Lymphoma/leukaemia
- Prostate cancer
- Colorectal cancer

Renal

- Chronic kidney disease
- End stage renal disease

Other

- Cystic fibrosis — adult & paediatrics
- HIV
- Chronic back/neck pain
- Sickle cell disease — adult and paediatrics
- Weight management (obesity) — adult and paediatrics

MyActiveHealthSM: personal health record

MyActiveHealth is a simple yet powerful online tool that identifies opportunities for improvements in care. It also identifies prescriptions and over-the-counter drugs that should not be mixed and provides alerts to alternative treatment opportunities to you and your family. The online tool allows you to:

- Store and easily retrieve information about doctor's visits, prescriptions, test results, immunizations and even family medical history.
- Access to your medical files securely anywhere the Internet is available — at home, at work, or even in the doctor's office.
- Share information with doctors, family members or caregivers by either printing out the records or granting online access.
- Provide doctors with a more complete picture of your health (if you choose to share it) and promotes better interaction with your doctor.
- Give each family member his or her own personal record to help keep things organized.

Access the MyActiveHealth website at www.myactivehealth.com/unitednations.

24-hour informed health line

- 24/7 telephone access to registered nurses by calling 1-800-556-1555
- Audio library on thousands of health topics such as common conditions/diseases, gender/age-specific issues, dental care, mental health, weight loss and much more!
- IHL nurses will work in tandem with the disease management programme as well as other coverages the United Nations has in place and will make referrals when appropriate.

NuVal

- Nutritional scoring system, available via through the MyActiveHealthSM portal, is a unique food labelling system which ranks all foods between 1 and 100; the higher the score, the higher the food's overall nutrition. Members can compare scores within a food category, such as cereals, or across categories, such as beef burgers to veggie burgers.
- This tool enables ActiveHealth members to create personalized shopping lists and meal plans. ActiveHealth nurse care programme coaches will also have access to the database as a tool for reinforcing better eating habits.

Annex IX

Vanbreda insurance benefits summary

The Vanbreda insurance programme indemnifies members, within the limits of the plan, for reasonable and customary charges in respect of medical, hospital and dental treatment for illness, an accident or maternity. The aggregate reimbursement in respect of the total expenses covered by the plan that are incurred by an insured participant shall not exceed $250,000 in any calendar year. The provisions set forth below shall be subject to this limitation. In addition to the maximum reimbursement per calendar year, certain maxima per treatment, procedure, supplies or other services may also apply, depending on the type of service.

This annex will provide a high-level summary chart of the plan. For detailed information staff members must review the Vanbreda plan description document available at www.un.org/insurance or access Vanbreda's website (www.vanbreda-international.com).

General cover — outpatient expenses

	Basic Medical Insurance Plan (BMIP)	*BMIP + Major Medical Benefits Plan (MMBP)*
Doctors' fees (GP) Paramedical fees Pharmacy Lab + medical imaging	80% (see below for restrictions for services received in the United States)	96% (yearly out of pocket of US$ 200 per person per calendar year or US$ 600 per family per calendar year for services received outside of the United States)
Outpatient costs in the United States (please see below for chemotherapy, haemodialysis and radiological treatments)	80% (yearly deductible of US$ 1,200 per person per calendar year or US$ 3,600 per family per calendar year)	96% (yearly out of pocket of US$ 1,200 per person per calendar year or US$ 3,600 per family per calendar year)

Note: Some treatments are subject to prior approval. Please refer to the detailed summary plan description (SPD) on www.vanbreda-international.com for more information.

Specific treatments

	Benefits	*Remarks*
Chemotherapy	100%	Doctors' fees at 80% + MMBP
Radiotherapy	100%	Doctors' fees at 80% + MMBP
Haemodialysis	100%	Doctors' fees at 80% + MMBP
Fertility treatments	80% + MMBP	In vitro fertilization not covered

Note: For chemo and radiotherapy and haemodialysis received in the United States, benefits are subject to prior approval (see below) and failure to comply will result in a penalty.

General cover — hospitalizations (subject to prior approval)

	Benefits	*Remarks*
Bed and board	100% up to a maximum per day	– The maximum per day varies depending on the region – Cover restricted to 100% of a semi-private room or ward for specific areas See details in the plan description on our website
Other hospital expenses	100%	
Doctors' fees	80%+MMBP	
Personal expenses	Not covered	

Covered expenses incurred in the United States of America

	Benefits	*Remarks*
Increased deductible	US$ 1,200 per person per calendar year or US$ 3,600 per family per calendar year	Once satisfied, reimbursement from BMIP
Strict enforcement of prior approval for: – planned hospitalization – selected outpatient treatments (chemo and radiotherapy, haemodialysis)	After meeting the deductible, see benefits for hospitalizations and specific treatments **A financial penalty is imposed if prior approval was not obtained**	Penalty imposed if prior approval was not granted: – no MMBP (cover restricted to BMIP)

For more information, please check our website.

General cover — benefits with ceilings

	Benefits	*Ceiling*
Dental	80%	– US$ 1,000 per person per calendar year – carry over from previous year's balance
Optical	80%	US$ 250 per period of 24 months (counted as of date of purchase)
Medical check-up	100%	US$ 750 per person per calendar year

	Benefits	*Ceiling*
Psychotherapy	100%	US$ 1,000 per person per calendar year (can be waived under certain circumstances — see detailed SPD for more information)
Home hospitalization	100%	US$ 5,000 per illness

Exclusions

- Insured participants who are mobilized or who volunteer for medical service in time of war
- Injuries resulting from motor-vehicle racing or dangerous competitions in respect of which betting is allowed (normal sports competitions are covered)
- Non-medical expenses including spa cures, rejuvenation cures or cosmetic treatment (reconstructive surgery is covered where it is necessary as the result of an accident for which coverage is provided)
- Costs exceeding the reasonable and customary limit for the area in which they are incurred
- Preventive care, other than medical check-up and certain vaccinations
- Costs of travel or transportation (except to first hospital in case of emergency)
- In vitro fertilization
- Medical care that is not medically necessary
- Medical care that is not medically recognized as a treatment for the diagnosis provided
- Long-term care
- Products whose effectiveness has not been sufficiently proved scientifically and which are not generally medically recognized in the medical world (e.g. products containing glucosamine or chondroitin sulphate)
- Elective surgery not resulting from illness, an accident or maternity.

Annex X

Provider contact directory

Websites

Online provider directories	*Instructions*
Aetna www.aetna.com/docfind/index.html	1. Click on "Find a doctor" 2. Select the search criteria to be used and enter the geographical information 3. Select a search category, such as "Specialists", "Aetna Vision Discount locations" or "Medical Hospitals" 4. Under "Select a Plan" choose "Aetna Standard Plans". Then select "Open Choice PPO" from the health plan menu 5. Click on the "start search" button to see the list of providers. If there are matches for the criteria you selected, you will be presented with a summary list of results
Empire Blue Cross www.empireblue.com	1. Click on "Visitors" or "Members" at the top of the menu in the upper left-hand corner of the home page 2. Select "Find a Doctor" on the left of the page. This selection allows you to find a doctor or hospital locally or across the country 3. Follow the prompts depending on your selection
HIP Health Plan of New York https://www.hipusa.com/employers/allforms.asp	1. Click on "Log in" at centre of page 2. Choose "Find Doctor" on top of page 3. Choose "HIP" on right side of page 4. Select "Member" or "Visitor" and then a "provider type" (PCP, specialist or hospital) and select "Continue" 5. Under the title "Select Plan" choose "HIP Prime" and under "Network", select "Prime" 6. You may refine your search by entering the name of a provider, or by proximity: zip code; languages spoken, area of specialization or hospital affiliation

Online provider directories	*Instructions*
Cigna www.cigna.com/	1. Select "Provider Directory" at the top of the home page 2. Select "Dentist" on "What type of provider are you looking for?" 3. Select "Language spoken" preference 4. Select "Search by name" and "Enter zip code OR city and state" if you already know the dentist's name 5. For a new dentist, select "Enter zip code OR city and state" and select the distance you are willing to travel 6. Click on "Next" button 7. On "Select your plan" choose "Cigna Dental PPO" or "Cigna Dental EPO" (an in-network only DPPO product) 8. Select "Core Network" in the next drop-down menu 9. Select "Specialty" on drop-down menu (i.e., endodontics, general dentistry, etc.) 10. Click on "Search" button to view search results
Vanbreda International www.vanbreda-international.com	1. Select "Plan Members" 2. Enter your personal reference number and date of birth (or password) 3. Select "Provider list" 4. Select a continent and a country 5. If desired, refine your search (specialty, city, ...) 6. Click "Search"

Note: Staff members are strongly encouraged to establish usernames and passwords to access the member websites of the insurance carriers to obtain information on the status of claims, view benefits, request identification cards and print temporary identification cards, among others.
